### **Anna Hemmings, Britain's leading female marathon canoeist and current World Champion.**

Anna was told by medical experts she might never race again. In 2005 however, she signalled a miraculous return to fitness by regaining her status as the World's leading marathon canoeist at the Marathon Racing World Championships in Perth, Australia.

In 2006 she successfully defended her world title. In 2007 she went on to make it a hat-trick of three World titles in a row. Her latest medal is her sixth gold since 1999, confirming her status as Britain's most successful ever female canoeist.

Anna also works as a highly sought after motivational speaker. Read more about her incredible story at [www.annahemmings.co.uk](http://www.annahemmings.co.uk)
